(Sample Template for Illustration Purposes Only — Not a Signed Contract)

This Agreement is made and executed on this [DD] day of [Month] [Year], between:

Client :- M/s [Client Company Name]

Address: [Client Site Address]

GSTIN: [Client GSTIN]

Contractor :- M/s R.R. Teen Set Solution

Address: RZ C30/1, Nangli Vihar Extn. Part-1, Near Nala Mandir, Najafgarh Delhi - 43

GSTIN: 07DJCPK0635M1Z5

Contact No.: 8527258462

1. PURPOSE OF THE AGREEMENT

The Client hereby appoints M/s R.R. Teen Set Solution for the **supply, fabrication, erection and installation of Tin Shed/Industrial Roofing Structure** at the Client's project site.

The Contractor agrees to execute the work in accordance with the agreed specifications, drawings, measurements, quality standards, safety requirements and terms mentioned in this Agreement.

2. PROJECT DETAILS

Site Location:

[Client Site Address]

3. SCOPE OF WORK

The Contractor's scope shall include, but not be limited to:

1. Site measurement and verification before commencement of work.
2. Supply of agreed roofing and structural materials.
3. Fabrication of the required steel structure.
4. Cutting, welding, drilling and assembly of structural members.
5. Erection and installation of the complete shed structure.
6. Installation of roofing sheets with proper alignment and overlap.
7. Installation of required ridge caps, flashing, gutters and other accessories as specified.

8. Providing appropriate fasteners, screws, washers and sealing materials.
9. Proper sealing of joints, overlaps and vulnerable areas to prevent water leakage.
10. Final inspection and rectification of workmanship-related defects.
11. Removal of fabrication waste and debris generated by the Contractor after completion of the work.

4. MATERIAL SPECIFICATIONS

The Contractor shall supply and install materials as per the following specifications:

A. Structural Steel (M.S.)

- Man Poll 4"X4" (10 Gauge)
- Kenchi 1-1/2" X3" (14 Gauge)
- Kenchi Support 1-1/2"X1-1/2" (18 Gauge)
- Side Perling 2-1/2"X2-1/2" (12 Gauge)
- Top Perling 2-1/2"X2-1/2" (12 Gauge)
- Pallet 6"X6" (10MM Thick)
- All part paint with black colour one coat
- Sheet 0.5MM with JSW Make
- Sheet Colour - Gray
- Pech HPCO
- 4 Piece wind powered exhaust fan turbo ventilator
- Insulation Sheet 10MM thick
- Both side water drain (Nali) with front Drain (Nali)
- One main drain outer pipe for rain water

B. Fasteners

Roofing sheets shall be fixed using suitable self-drilling/self-tapping screws of appropriate size with **EPDM/rubber washers** to ensure proper water resistance.

C. Hut type structure design with dimension

Approx Length [X] feet

Approx width [X] feet

Mid Top Height [X] feet

Both perlin side height [X] feet

Perlin distance [X] Inch

Main Pole (Pillar) distance [X] feet

All tin shed work as per approved drawing

5. MEASUREMENT OF WORK

The final quantity/area shall be measured jointly by representatives of the Client and Contractor after completion of the work.

The final bill shall be prepared based on the **actual jointly verified quantity**, unless the Parties have specifically agreed to a fixed-price contract.

6. CONTRACT PRICE

The agreed rate shall be:

Tin Shed Supply & Installation: ₹[Rate] per Sq. Ft.

Approximate Area of Tin Shed : [Area] Sq. Ft.

Estimated Amount: ₹[Amount]/-

Insulation Sheet with Installation: ₹[Rate] per Sq. Ft.

Approximate Area of Insulation Sheet : [Area] Sq. Ft.

Estimated Amount: ₹[Amount]/-

Total Estimated Contract Amount: ₹ [Amount] + [Amount] = **[Total Amount]/-**

V-Corner sheet charges and 10/kg installation charges will be extra as actual wt.

Any additional work outside the agreed scope shall require prior written approval from the Client and shall be charged separately at mutually agreed rates.

7. PAYMENT TERMS

Payment shall be made according to the following schedule:

1. First payment - Full material's amount with delivery of major structural materials at site.

2. Second payment - Full material's amount with delivery of major roofing materials at site

3. Final Payment: Final Payment will be released after completion and satisfactory performance with the leakage of water.

8. LEAKAGE GUARANTEE

The Contractor shall provide a **water leakage/workmanship guarantee for a period of one year from the date of completion and handover** of the shed.

During the guarantee period:

1. If leakage occurs due to defective installation, improper sheet overlap, defective sealing, improper fixing of roofing sheets, faulty flashing/ridge installation or other workmanship-related defects, the Contractor shall inspect the affected area and carry out necessary rectification **at no additional cost to the Client**.
2. The Contractor shall attend to a leakage complaint within **2 working days** of receiving written/email/WhatsApp notification from the Client.
3. Rectification work shall be completed within a reasonable period depending upon the nature of the defect and site conditions.
4. The Contractor shall be responsible for replacement of defective fasteners, sealants, flashing or other installation-related components where the defect is attributable to the Contractor's workmanship.

9. COMPLETION & HANDOVER

Upon completion of the work, the Contractor shall inform the Client for inspection.

The Client shall inspect the completed work and communicate any visible defects or pending work.

The Contractor shall rectify such defects/pending items before final handover.

The work shall be considered completed after satisfactory inspection and handover by the Client.

10. SAFETY & SITE RESPONSIBILITY

The Contractor shall be responsible for:

- Safety of its workers and supervisors.
- Providing appropriate safety equipment/PPE to its workers.
- Safe handling of tools, welding equipment and installation equipment.
- Following applicable site safety rules.
- Taking reasonable precautions to prevent damage to the Client's property during execution.

Any damage caused to the Client's property due to negligence or improper working practices of the Contractor shall be rectified by the Contractor at its own cost.

11. LABOUR & EQUIPMENT

Unless otherwise agreed in writing, the Contractor shall arrange and provide the labour, supervisors, tools, machinery and equipment necessary for execution of the agreed work.

12. ACCEPTANCE

Both Parties confirm that they have read, understood and agreed to the terms and conditions contained in this Agreement.

Any amendment to this Agreement shall be valid only when agreed upon in writing by both Parties.
